Now she said, "Just milk, Aunt Gen." Kath gave a short laugh, "Of course not ... but they're deceptive, aren't they. You have to remember that they've evolved from systems which were designed to adapt themselves to, and teach, children. You project a lot of yourself into what you think they're saying." A dog. Black and white. Shaggy. "I won't be talking to him," said Geneva. "After what I've just heard, I'd as soon smack him as look at." Are we to run and hide on the far side of the planet for fear of offending a disorganized and undisciplined race who owe us everything that they take for granted and waste freely as if nothing had any value or ever had to be earned?" Kalens was asking from the screen. "Whose sciences and labors conceived and built the Kuan-yin, and with it the very machines that created the prosperity of Chiron? Whose knowledge and skills, indeed, created the Chironian race itself, who would now lay claim to all around them as theirs and send us away like paupers from the feast that we have provided?" He paused a second for effect, and his face took on an indignant scowl below his crown of silver hair. "I say no! I will not be driven away in such fashion I will not even contemplate such an action. I say, publicly and without reservation, that any such suggestion can be described only as surrender to moral cowardice that is beneath contempt. Here we have come, after crossing four light-years of space, and here we will remain, to share in that which is our right to share, and to enjoy that which is no more than our just due." A thunder of applause greeted the exhortation. Jean had heard enough and told Jeeves to turn off the screen. .heard about the courtesy of the road.
