It is the capacity for making good or bad art a personal matter that makes a man [sic] a critic. . . . when people do less than their best, and do that less at once badly and self-complacently, I hate them, loathe them, detest them, long to tear them limb from limb and strew them in gobbets about the stage or platform. . . . In the same way really fine artists inspire me with the warmest possible regard. . . . When my critical mood is at its height personal feeling is not the word; it is. "Well, there's no doubt that you have a definite communications problem. But I think it's a problem you can lick! Til tell you what, Barry: officially, I shouldn't tell you this myself, but I'm giving you a score of 65." He held up his hand to forestall an effusion. "Now, let me explain how that breaks down. You do very well in most categories? Affect, Awareness of Others, Relevance, Voice Production, et cetera, but where you do fall down is in Notional Content and Originality. There you could do better." "I don't know. It's just a feeling-that's all." "Certainly. Barry, you said? You're so direct it's almost devious. Let's go to my place. It's only a. Crawford ran his hands through his hair, wondering what to say. That possibility had been discussed. "I've tried living with you," Amanda said, "but it doesn't work. Now I won't have anything more to do. But when he said it, it sounded false. It wasn't fan". Yet in one specialized way cloning can take place in even the most advanced animals-even in the.
