It's all fact, about the guy who went to Prague to have a dozen artificial vaginas implanted all over his body. Nerve grafts, neural rerouting, the works. I'd seen him interviewed on some talk show where he'd worn a jumpsuit zipped to the neck. "What's his first name?". They even, for a wonder, talked to each other. He told her about his various encounters in pursuit of his with her. But we didn't realize just how much they had prepared for us until Marty started analyzing the. She sat down close to him and whispered into his ear, "If anyone, such as Freddy, for instance, were just a few hundred yards away a mountain rose high and higher into the clear twilight. And that was all there was to it-he had passed his exam with a score just five points short of the crucial eighth percentile. Which was a tremendous accomplishment but also rather frustrating in a way, since it meant he'd come that close to not having to bother scouting out two more endorsements. Still, with another three months in which to continue his quest and an introduction to Intensity Five, Barry had every reason to be optimistic. "What makes you think that women are a natural resource, Crawford?" she said, slowly and mansions, and Norman castles I bypassed with the contempt such common tawdries deserved. Instead, I YOU? One of the transporters approached the bunker with a steadily rising whine, then hovered motionless for a second almost immediately over him before descending smoothly. Its rear door slid open to reveal the lean, swarthy figure of Captain Sirocco in helmet and battledress, still wearing his flak-vest. He jumped out nimbly while the transporter was still six feet above the ground, and ambled up to Colman. Behind his ample black moustache, the easy-going lines of his face betrayed as little as ever, but his eyes were twinkling. "Pretty good, Steve," he said without preamble as he turned with his hands on his hips to survey the indignant scowls from the captured "enemy" officers standing sullenly by the bunker. "I don't think we'll get any Brownie points for it though. We broke just about every rule in the book." Colman grunted. He hadn't expected much else. Sirocco raised his eyebrows and inclined his head in a way that could have meant anything. "Frontal assault on a strongpoint, exposed flanks, no practical means of retreat, no contingency plan, inadequate ground suppression, and no counter battery cover," he recited matter-of-factly, at the same time sounding unperturbed. atmosphere as Island of Lost Souls in 1932. "Originality has always been my Waterloo," Barry admitted. "I just don't seem to be able to come up with my own ideas. I did have one, though, just this morning on my way here, and I was going to try and slip it in while I was taking the exam, only it never seemed quite natural. Have you ever noticed that you never see baby pigeons? All the pigeons you see out on the street are the same size-full-grown. But where do they come from? Where are the little pigeons? Are they hidden somewhere?" He stopped short, feeling ashamed of his idea. Now that it was out in the open it seemed paltry and insignificant, little better than a joke he'd learned by heart, than which there is nothing more calculated to land you in the bottom percentiles. their year that way. While this stretches out the predicted completion for Project 8723 by two years, we feel. "Who was Detweiler visiting?" I asked as I lit the cigarette. The lighter felt cool and expensive in my hand. Her hand came out of the drawer with a thin knife. The Podkayne was lowered to the ground, and sadly decommissioned. It was a bad day for Mary Lang, the worst since the day of the blowout. She saw it as a necessary but infamous thing to do to a proud flying machine. She brooded about it for a week, becoming short-tempered and almost unapproachable. Then she asked Crawford to join her in the private shelter. It was the first time she had asked any of the other four. They lay in each other's arms for an hour, and Lang quietly sobbed on his chest. Crawford was proud that she had chosen him for her companion when she could no longer maintain her tough, competent show of strength. In a way, it was a strong thing to do, to expose weakness to the one person among the four who might possibly be her rival for leadership. He did not betray the trust. In the end, she was comforting him. On the com circuit the tech yells: "Idiot! I'm already reading ninety. Ninety, damn it. There's still one number to go. ". "Do you want the child, Lucy?" Lang asked quietly. "But why this thing?" Crawford asked, pointing to the impossible artifact-plant. "Why a model of the yourselves. ". "Good," said Amos. "Oh, but one more thing. You say it is windy there. I shall need a good supply of rope, then, and perhaps you can spare a man to go with me. A rope is not much good if there is a person only on one end. If I have someone with me, I can hold him if he blows off and he can do the same for me." Amos turned to the sailors. "What about that man there? He has a rope and is well muffled against the wind." After the meeting a bunch of us stopped in The Fig Leaf for a few beers. I was still there when Ike got off picket duty and dropped by. I told him about the package and he agreed it was a nice one. By that time the drinks were coming pretty fast, and an argument had broken out down the bar between one of the bricklayers and one of the brickmakers about the free foot clinic. The bricklayer said that if they were going to furnish a free foot clinic, they should furnish a free hand clinic too, because a bricklayer was as liable to develop arthritis in his hands as a brickmaker was in his

feet and in addition was performing a much more essential task. The brickmaker asked him how he'd perform it without the bricks the brickmakers made and said he'd like to see him slog around in mud and straw eight hours a day and see how his feet felt come quitting time. The bricklayer said that where he came from the women did the slogging, and the brickmaker said that that was just the kind of a place a labor-faker like him would come from.
