"That would be only what the women of the Hand call it, keeping its meaning from the wizards and the pirates. To them no doubt it would bear some other name." "Do wizards have no family?". All this took only two days, and all the time Early was looking and probing toward Endlane village, sending Hound there before him, sending his own presentment there to watch. When he knew where the man was he betook himself there very quickly, on eagle's wings; for Early was a great shape-changer, so fearless that he would take even dragon form..path through the fields to Roke Knoll. It is a curious thing about the Great House of Roke, that Ath did not. His book, lost for centuries, is now in the Isolate Tower on Roke..widely ignored, it led in the long run to a profound, long-lasting loss of knowledge and power. "I'm afraid." He looked about, curious and wary. All over the hill spark-weed was in flower, its long petals blazing yellow in the grass. Children on Havnor knew that flower. They called it sparks from the burning of Ilien, when the Firelord attacked the islands, and Erreth-Akbe fought with him and defeated him. Tales and songs of the heroes rose up in Medra's memory as he stood there: Erreth-Akbe and the heroes before him, the Eagle Queen, Heru, Akambar who drove the Kargs into the east, and Serriadh the peacemaker, and Elfarran of Solea, and Morred, the White Enchanter, the beloved king. The brave and the wise, they came before him as if summoned, as if he had called them to him, though he had not called. He saw them. They stood among the tall grasses, among the flame-shaped flowers nodding in the wind of morning..palace with fire..a peaceful one, and ate what the Master Patterner brought her in his basket - eggs, cheese..There was the silence. Then a fish leapt from the black, shaking water, a white-grey fish the length of his hand, and as it leapt it cried out in a small, clear voice, in that same language, "Yaved!".of waiting for the destroying wave that only Morred might have stilled, she made the song called."Bregg. Hal Bregg. And yours?". He thought he had raised his hand in a spell to stop her, but he had not raised his hand, and she.them. Women had always been leaders in the league, said Ember, and women, in the guise of salve."I don't see why," she said. "My mother can cure a fever and ease a childbirth and find a lost ring, maybe that's nothing compared to what the wizards and the dragonlords can do, but it's not nothing, all the same. And she didn't give up anything for it. Having me didn't stop her. She had me so that she could learn how to do it! Just because I learned how to play music from you, did I have to give up saying spells? I can bring a fever down now too. Why should you have to stop doing one thing so you can do the other?". Dulse paused. "He was my master. Would have been my friend, perhaps, if I'd stayed on Roke. Have wizards friends? No more than they have wives, or sons, some would say.... Once he said to me that in our trade it's a lucky man who finds someone to talk to. Keep that in mind. "Simply as I protect myself," the wizard said; and after a moment, testily, "The bargain, boy. The power we give for our power. The lesser state of being we forego. Surely you know that every true man of power is celibate."..She glanced back at the land then. It was the only time he ever saw her look back.. "I will," said Ivory, with a wink at Dragonfly. She, well disguised in dirt and a farmhand's old smock and leggings and a loathsome felt hat, did not wink back. She played her part even while they sat side by side dangling their legs over the tailgate, with six great half-tuns of wine jolting between them and the drowsy carter, and the drowsy summer hills and fields slipping slowly, slowly past. Ivory tried to tease her, but she only shook her head. Maybe she was scared by this wild scheme, now she was embarked on it. There was no telling. She was solemnly, heavily silent. I could be very bored by this woman, Ivory thought, if once I'd had her underneath me. That thought stirred him almost unbearably, but when he looked back at her, his thoughts died away before her massive, actual presence..mouthful.
