That's probably the outcomes of your readers can be influenced by mcdougal out of each concept. And this ebook is extremely had to read , sometimes detail by detail, so it can be great for your entire life and you. The news came to the rest of the kings; so they [flew after him and] overtaking him, found him full of trouble and fear, with fire issuing from his nostrils, and said to him, 'O Sheikh Aboutawaif, what is to do?' Quoth he, 'Know that Meimoun hath carried off Tuhfeh from my palace and outraged mine honour.' When they heard this, they said, 'There is no power and no virtue but in God the Most High, the Supreme! By Allah, he hath ventured upon a grave matter and indeed he destroyeth himself and his people!' Then the Sheikh Iblis gave not over flying till he fell in with the tribes of the Jinn, and there gathered themselves together unto him much people, none may tell the tale of them save God the Most High. So they came to the Fortress of Copper and the Citadel of Lead, (238) and the people of the strongholds saw the tribes of the Jinn issuing from every steep mountain-pass and said, 'What is to do?' Then Iblis went in to King Es Shisban and acquainted him with that which had befallen, whereupon quoth he, 'May God destroy Meimoun and his folk! He thinketh to possess Tuhfeh, and she is become queen of the Jinn! But have patience till we contrive that which befiteth in the matter of Tuhfeh.' Quoth Iblis, 'And what befiteth it to do?' And Es Shisban said, "We will fall upon him and slay him and his people with the sword.' Then he thrust his feet into boots and girt him with a sword and a girdle and bound about his middle a quiver and a bow and arrows. Moreover, he put money in his pocket and thrust into his sleeve letters-patent addressed to the governor of Ispahan, bidding him assign to Rustem Khemartekeni a monthly allowance of a hundred dirhems and ten pounds of bread and five pounds of meat and enrol him among the Turks under his commandment. Then he took him up and carrying him forth, left him in one of the mosques..Journeyman and the Girl, The, ii. 17..When it was the eighth day, the viziers all assembled and took counsel together and said, "How shall we do with this youth, who bafflenth us with his much talk? Indeed, we fear lest he be saved and we fall [into perdition]. Wherefore, let us all go in to the king and unite our efforts to overcome him, ere he appear without guilt and come forth and get the better of us." So they all went in to the king and prostrating themselves before him, said to him, "O king, have a care lest this youth beguile thee with his sorcery and bewitch thee with his craft. If thou hearest what we hear, thou wouldst not suffer him live, no, not one day. So pay thou no heed to his speech, for we are thy viziers, [who endeavour for] thy continuance, and if thou hearken not to our word, to whose word wilt thou hearken? See, we are ten viziers who testify against this youth that he is guilty and entered not the king's sleeping-chamber but with evil intent, so he might put the king to shame and outrage his honour; and if the king slay him not, let him banish him his realm, so the tongue of the folk may desist from him." When the evening evened, the king withdrew to his privy sitting-chamber and bade fetch the vizier. When he presented himself before him, he said to him, "Tell me the story of the wealthy man who married his daughter to the poor old man." "It is well," answered the vizier. "Know, O puissant king, that when the news reached El Aziz, he rejoiced with an exceeding joy in the coming of his son and straightway took horse, he and all his army, what while the trumpets sounded and the musicians played, that the earth quaked and Baghdad also trembled, and it was a notable day. When Mariyeh beheld all this, she repented with the uttermost of repentance of that which she had wroughten against El Abbas his due and the fires still raged in her vitals. Meanwhile, the troops (104) sallied forth of Baghdad and went out to meet those of El Abbas, who had halted in a meadow called the Green Island. When he espied the approaching host, he knew not what they were; so he strained his sight and seeing horsemen coming and troops and footmen, said to those about him, "Among yonder troops are ensigns and banners of various kinds; but, as for the great green standard that ye see, it is the standard of my father, the which is reserved [unto him and never displayed save] over his head, and [by this] I know that he himself is come out in quest of me." And he was certified of this, he and his troops..Then the king acquainted the people [of his court] with the matter and said to them, 'O folk, how deem ye of my looking to the issues of affairs?' And they all marvelled at his wisdom and foresight. Then he turned to his father and said to him, 'Hadst thou looked to the issue of thine affair and dealt deliberately in that which thou didst, there had not betided thee this repentance and grief all this time.' Then he let bring his mother and they rejoiced in each other and lived all their days in joy and gladness. What then," continued the young treasurer, "is more grievous than the lack of looking to the issues of affairs? Wherefore hasten thou not in the slaying of me, lest repentance betide thee and sore concern." So El Aziz sent after his son and acquainted him with that which had passed; whereupon El Abbas called for four-and-twenty males and half a score horses [and as many camels] and loaded the mules with pieces of silk and rags of leather and boxes of camphor and musk and the camels [and horses] with chests of gold and silver. Moreover, he took the richest of the stuffs and wrapping them in pieces of gold-striped silk, laid them on the heads of porters, and they fared on with the treasures till they reached the King of Baghdad's palace, whereupon all who were present dismounted in honour of El Abbas and escorting him to the presence of King Ins ben Cais, displayed unto the latter all that they had with them of things of price. The king bade carry all this into the harem and sent for the Cadis and the witnesses, who drew up the contract and married Mariyeh to Prince El Abbas, whereupon the latter commanded to [slaughter] a thousand head of sheep and five hundred buffaloes. So they made the bride-feast and bade thereto all the tribes of the Arabs, Bedouins and townsfolk, and the tables abode spread for the space of ten days..The Khalif laughed at his speech and said, "By Allah, this is none other than a pleasant tale! Tell me thy story and the cause." "With all my heart," answered Aboulhusn. "Know, O my lord, that my name is Aboulhusn el Khelia and that my father died and left me wealth galore, of which I made two parts. One I laid up and with the other I betook myself to [the enjoyment of the pleasures of] friendship [and conviviality] and consorting with comrades and boon-companions and with the sons of the merchants, nor did I leave one but I caroused with him and he with me, and I spent all my money on companionship and good cheer, till there remained with me nought [of the first half of my good]; whereupon I betook myself to the comrades and cup-companions upon whom I had wasted my wealth, so haply they might provide for my case; but, when I resorted to them and went round about to them all, I found no avail in one of them, nor broke any so much as a crust of bread in my face. So I wept for myself and repairing to my mother, complained to her of my case. Quoth she, 'On this wise are friends; if thou have aught, they make much of thee and devour thee, but, if thou have nought, they cast thee off and chase thee away.' Then I brought out the other half of my money and bound myself by an oath that I would never more entertain any, except one night, after which I would never again salute him nor take note of him; hence my saying to thee, 'Far be it that what is past should recur!' For that I will never

again foregather with thee, after this night." Would we may live together, and when we come to die, i. 47..? ? ? ? b. The Fakir and his Pot of Butter dcx.? ? ? ? a. The First Calender's Story xxxix.? ? ? ? Ye've drowned me in the sea of love for you; my heart Denies to be consoled for those whom I adore..Haroun er Reshid and the Woman of the Barmecides, i. 57..The kings of the Jinn were moved to delight by that fair singing and fluent speech and praised Tuhfeh; and Queen Kemeriyeh rose to her and embraced her and kissed her between the eyes, saying, 'By Allah, it is good, O my sister and solace of mine eyes and darling of my heart!' Then said she, 'I conjure thee by Allah, give us more of this lovely singing.' And Tuhfeh answered with 'Hearkening and obedience.' So she took the lute and playing thereon after a different fashion from the former one, sang the following verses:.49. The Man who stole the Dog's Dish of Gold dcii.The Fourteenth Night of the Month..Young Men, El Hejjaj and the Three, i. 53..? ? ? ? Wherewith farewell, quoth I, and peace be on thee aye, What while the branches bend, what while the stars abide..? ? ? ? How long shall I, in weariness, for this estrangement pine, What while the spies of severance (106) do watch me all the night?..? ? ? ? I am a man in whom good faith's a natural attribute; The deeds of every upright man should with his speech agree..NOTE..ABDALLAH BEN NAFI AND THE KING'S SON OF CASHGHAR. (157).Then she told him the story of Anca, daughter of Behram Gour, with Anca, daughter of the wind, and described to him her dwelling-place and her island, whereupon quoth Er Reshid, 'O Tuhfet es Sedr, (252) tell me of El Anca, daughter of Behram Gour; is she of the Jinn or of mankind or of the birds? For this long time have I desired to find one who should tell me of her.' 'It is well, O Commander of the Faithful,' answered Tuhfeh. 'I asked the queen of this and she acquainted me with her case and told me who built her the palace.' Quoth Er Reshid, 'I conjure thee by Allah, tell it me.' And Tuhfeh answered, 'It is well,' and proceeded to tell him. And indeed he was amazed at that which he heard from her and what she told him and at that which she had brought back of jewels and jacinths of various colours and preciot stones of many kinds, such as amazed the beholder and confounded thought and mind. As for this, it was the means of the enrichment of the Barmecides and the Abbasicles, and they abode in their delight..Wasteful Son, The Rich Man and his, i. 252..After he had slain him, he fell into repentance and mourning and chagrin waxed upon him, and none, who questioned him, would he acquaint with the cause thereof, nor, of his love for his wife, did he tell her of this, and whenas she asked him of [the cause of] his grief, he answered her not. When the viziers knew of Abou Temam's death, they rejoiced with an exceeding joy and knew that the king's grief arose from regret for him. As for Ilan Shah, he used, after this, to betake himself by night to the sleeping-chamber of the two boys and spy upon them, so he might hear what they said concerning his wife. As he stood one night privily at the door of their chamber, he saw them spread out the gold before them and play with it and heard one of them say, 'Out on us! What doth this gold profit us? For that we cannot buy aught therewith neither spend it upon ourselves. Nay, but we have sinned against Abou Temam and done him to death unjustly.' And the other answered, 'Had we known that the king would presently kill him, we had not done what we did.'
