"I learned it really quickly," Diamond said..showed 'em again, I'd have taught them their lesson!".He watched the staff that stood on the shining floor. In a little while he saw it quiver very slightly, a shiver, a tremble.. "More likely to kill the beasts that sicken with it," the man said. He sounded a bit sleepy.. "All right," I said..He tried to remember how to make light. Anieb said to him, plaintively, "Can't you make the light?" But he could not. He crawled in the dark till the sound of water was loud and the rocks under him were wet, and groped till his hand found water. He drank, and tried to crawl away from the wet rocks afterward, because he was very cold. One arm hurt and had no strength in it..All we know of ancient times in Earthsea is to be found in poems and songs, passed down orally for centuries before they were ever written. The Creation of Ea, the oldest and most sacred poem, is at least two thousand years old in the Hardic language; its original version may have existed millennia before that. Its thirty-one stanzas tell how Segoy raised the islands of Earthsea in the beginning of time and made all beings by naming them in the Language of the Making-the language in which the poem was first spoken..When he was on Orrimy, Medra had learned to read the common writing of the Archipelago. Later.. "I'll bring food," he said, and strode on, quickening his pace so that he vanished soon, though.Diamond had run away..my side and was smiling as before. It was not merely an external smile of official politeness, a the fountain, where the tree Elehal had planted now stood tall, its berries reddening..himself, riding back to Westpool, and laughed. "I do indeed," he said aloud. The black mare nicked.And many there said good riddance, for he'd always been half mad, and now was mad entirely..Medra stayed three years with Highdrake, and when the old mage died, the Lord of Pendor asked Medra to take his place. Despite his ranting and scolding against dragon hunters, High-drake had been honored in his island, and his successor would have both honor and power. Perhaps tempted to think that he had come as near to Morred's Isle as he would ever come, Medra stayed a while longer on Pendor. He went out with the young lord in his ship, past the Toringates and far into the West Reach, to look for dragons. There was a great longing in his heart to see a dragon. But untimely storms, the evil weather of those years, drove their ship back to Ingat three times, and Medra refused to run her west again into those gales. He had learned a good deal about weatherworking since his days in a catboat on Havnor Bay..mouth and her long, lean arms, the words spoken awry then, spoken truly now..He tried to remember how to make light. Anieb said to him, plaintively, "Can't you make the.but purposeful, down one of the tracks, and he went with her, a hand on her hip when the way was.Once there in the Grove she had no thought of earning, or deserving, or even of learning. To be."I don't see why," she said. "My mother can cure a fever and ease a childbirth and find a lost ring, maybe that's nothing compared to what the wizards and the dragonlords can do, but it's not nothing, all the same. And she didn't give up anything for it. Having me didn't stop her. She had me so that she could learn how to do it! Just because I learned how to play music from you, did I have to give up saying spells? I can bring a fever down now too. Why should you have to stop doing one thing so you can do the other?". "You take care," the witch said, grim. "Everything's perilous, right enough, and meddling with.become himself. A magic greater than his own prevailed here..could and burning what they left. Then the great fleet turned west, heading for the one harbor of."The true art prevails over the false. The pattern will hold," Ember said, frowning. She reached out the poker to gather together her namesakes in the hearth, and with a whack knocked the heap into a blaze. "That I know. But our lives are short, and the patterns very long. If only Roke was now what it once was- if we had more people of the true art gathered here, teaching and learning as well as preserving-.their pack, but it might be they'd pay a bit of ivory for what they want. Is it so?" She turned.Then their long days in the silence of the woods and their long, starlit nights were joy to them.. "Get the sail down," Medra said, peremptory. The master yawned and cursed and began to shout commands. The crewmen got up slowly and slowly began to rake the awkward sail in, and the oarmaster, after asking several questions of the master and Medra, began to roar at the slaves and stride among them rousing them right and left with his knotted rope. The sail was half down, the sweeps half manned, Medra's staying spell half spoken, when the witchwind struck..thought they'd be..". She gazed off at the sheep on the hill, her face troubled. "Some of them are.tongue moved. "Ayezur" he said.. "Stand!" he said to it in its language, and let go of it. It stood as if he had driven it into a socket..childlike almost, I could not make out the words, perhaps there were no words. He was always a little reluctant to enter the witch's house, a pungent, disorderly place thick with the mysteries of women and witchcraft, very different from his own clean comfortable home, even more different from the cold austerity of the wizard's house. He shivered like a horse as he stood there, too tall for the herb-festooned rafters. He was very highly strung, and worn out, having walked forty miles in sixteen hours without food.. "Tell them-tell them I was wrong," Irioth said. "Tell them I did wrong. Tell Thorion-" He halted, confused..He sat down on his narrow bunk and looked at her sitting on her narrow bunk; they could not face.laughed, but the old people said, "Look out. Take care. Medra asked, and Ember said, "As far as the mind goes." bigger than you were," she said. "Can you still make a light, Di? I want to see you." But he said nothing to the boy and nothing to the boy's mother. He was a consciously close-mouthed man, distrustful of visions until they could be made acts; and she, though a dutiful, loving wife and mother and housekeeper, already made too much of Diamond's talents and accomplishments. Also, like all women, she was inclined to babble and gossip, and indiscriminate in her friendships. The girl Rose hung about with Diamond because Tuly encouraged Rose's mother the witch to visit, consulting her every time Diamond had a hangnail, and telling her more than she or anyone ought to know about Golden's household. His business was none of the witch's business. On the other hand, Tangle might be able to tell him if his son in fact showed promise, had a talent for magery...but he flinched away from the thought of asking her, asking a witch's opinion on anything, least of all a judgment on his son..there was no room for two sorcerers in one village and he'd be back, maybe, when that man, or.cheated him..Nothing happened as he said the words Ard had taught him, his old witch-teacher with her bitter.from horseback; yet he felt short, he felt small..On his rides, he sometimes passed an old house on a hill among great oaks. Because there are more of us! Gather twenty or thirty people of power in a room, they'll each seek to have their way. And you put men who've always had their way together with women who've had theirs, and they'll resent one another. And then, too, there are some true and real divisions among us, Medra. They must be settled, and they can't be settled easily. Though a little goodwill would go a long way." .am. . . I was a pilot. The last time I was here. . . don't be frightened!".Irian stood silent too, but her hope sank down, replaced by a sense of shame and utter insignificance. These were brave, wise men, seeking to save what they loved, but they did not know how to do it. And she had no share in their wisdom, no part in their decisions. She drew away from them, and they did not notice. She walked on, going towards the Thwilburn where it ran out of the wood over a little fall of boulders. The water was bright in the morning sunlight and made a happy noise. She wanted to cry but she had never been good at crying. She stood and watched the water, and her shame turned slowly into anger..tavern several dozen times, an inexhaustible source of admiration, the best thing anybody'd said.Mage remained an essentially undefined term: a wizard of great power..And the old man railed on about the folly of the young and the evils of modern times..him; he had the lead.
