The heat drew out the last of my anger, though. I've got to admit, though, that before I yelled my nay I had a bad moment. I'm still not sure I did right. Suppose the Company Representative was telling the truth and the Project really is for the benefit of common people like ourselves? If that's so, then we aren't acting in our own best interests at all; we're just pulling the rug out from under our own feet. Outside, the water lapped at the ship, and after a moment Jack said, "A river runs by the castle of the Far Rainbow, and when you go down into the garden, you can hear the water against the wall just like that". it was not in the nature of her kind of beauty to do so. The cause of this high morale rests with one programmer in our department, Morris Hazeldorf, the inventor of Zorphwar. While I admit that his shaggy hair and unkempt personal attire might turn you off on first encounter, Morris is an extremely bright and able young man. Single-handed, he programmed the entire HAFAS (Hierarchical Accounting File Access System). And in his spare time over the past year, Morris has been creating Zorphwar, an exciting game that operates on our system. "I can try," said Jack, "or perhaps die trying. But I can do no more and no less." And he took the small pickax they had used to help them climb the mountain. Sirocco sighed. "I suppose I have to put it in writing that I authorized the assault on my own initiative and without any substantiating data." He cocked his head at Colman. "Happen to know anyone around here who makes a good pair of pants?" "What about air?" McKillian asked, still unconvinced.
