Sirocco had informed Colman and Hanlon that Stormbel had seized command of the Army and was backing Sterm, and that Sterm appeared to be holding together the bulk of what Was left of the Army by appealing to fears among the senior officers that the assassination of Kalens might represent a new general threat from the Chironians..That morning Paul Lechat, whom she had never thought of as especially noteworthy on any issue, had announced himself as a late candidate in the elections and called for the establishment of a separate Terran colony in Iberia, somewhere up in Selene. He wanted to allow the people from Earth to pursue their own pattern of living without disruptive influences for the immediate future, and possibly to make such an institution permanent if it suited enough people to do so. To Jean the announcement had come as a godsend, and to many others as well, if the amount of popular support that had materialized from all sides within a matter of hours was anything to go by. Why couldn't everybody see it that way? she wondered. It was so obvious. Why were there always some who were obstinate and valued political interests before what common sense said would be for the common good, such as Kalens, who even now was reacting to Lechat as a threat and rallying his own followers to action?.not only solace but also inspiration in this Gen Zen. anywhere." To Bernard's mild surprise Jay had shown a lively interest in the conversation all through dinner and had elected to sit in afterward. About time too, Bernard thought to himself. "Someone you how?" Colman asked. "You have a contractual agreement." "Sure," Chang said confidently. "I'll give you a call when I've talked to Adam. He's the friend. Would Jay like to go too?" ".advises.. "Ah." Leilani's eyes widened. "You're the twelve percenters." "Son-of-a-something, anyway," Anita added. They all laughed..jeans. He smooths the bills and sorts them. Not much to sort. He counts his treasury. Not much to count..Better move..Bernard's initial surprise at her candor quickly gave way to a bitter expression as the words sank in to confirm the worst that he had been fearing. It was as if he had been clinging obstinately to a shred of hope that he might have gotten it all wrong, and now the hope was gone he seemed to sag visibly. Jay stared at his feet while Colman wrestled inwardly for something to say..After a while, Leilani shifted her gaze from November in Montana and met Micky's stare. "I knew then." "Very well," he said. "Stanislau has had his encore. Now let's get back to business.." "Good, very good. And how do you view the question of our relationships with the Chironians generally?" "But eleven people? How could he?" "a gun under them." "It was the right thing to do. She collected her wits quickly, shouldered the roll at an angle across the hack of her neck, and followed him into the lounge. Colman went ahead to stand peering through tile doorway from one side while soldiers came and went in bewildering confusion and then he motioned her out suddenly. In a strangely dreamlike way she found herself being conveyed down. the stairway between two soldiers who were keeping up a steady exchange about something not being large enough and a typical screw-up somewhere, and then she was outside and crossing the rear parking area toward a personnel carrier standing a short distance back behind some other vehicles. Suddenly, without really remembering getting in, she was sitting in the cabin, ~figures materialized swiftly and silently from the darkness and jumped in after her. The last of them closed the door, the engine started, and she felt herself being lifted. Only then did she start shaking..Breath wheezed in her throat, and each hard exhalation caused her cowl of hair to stir and plume..afraid that they are beginning to recognize him for the fugitive he is.. "Drugs do terrible damage," Aunt Gen said with sudden solemnity. "I was in love with this man in..university-trained doctor..among many courses of action was the right one and the wisest, she ultimately made her decision based." "Oh, sure . . . I'm just saying there doesn't have to be anything to get scared about." "with him now, she is laughing, worried, and frustrated all at once.." "But they seem to have an intuition to make human value judgments," Colman objected. "They know too much about how people think." "Jean forced a smile. "Just remember that," she said..Celia didn't seem to hear. Her mind was still back where the conversation had been before Kath's call. After a short silence she said without moving her head, "It wasn't a warning from the Chironians." "lost.
