Find out if.As he came down the last slope of the mountain, he had seen houses here and there out in the marshlands, a village not far away. He had thought he was on the way to the village, but had taken a wrong turning somewhere. Tall reeds rose up close beside the paths, so that if a light shone anywhere he could not see it. Water chuckled softly somewhere near his feet. He had used up his shoes walking round Andanden on the cruel roads of black lava. The soles were worn right through, and his feet ached with the icy damp of the marsh paths..Down in their tiny cabin Dragonfly sat waiting for him, solemn as ever but her eyes blazing with excitement. "We'll go ashore in the morning," he repeated to her, and she nodded, acceptant..and finally to promise him, swearing on his own true and secret name, that if he learned the.It was

Of late, entering always deeper into the mysteries of a certain lore-book brought back from the Isle of Way by one of Losen's raiders, Gelluk had become indifferent to most of the arts he had learned or had discovered for himself. The book convinced him that all of them were only shadows or hints of a greater mastery. As one true element controlled all substances, one true knowledge contained all others. Approaching ever closer to that mastery, he understood that the crafts of wizards were as crude and false as Losen's title and rule. When he was one with the true element, he would be the one true king. Alone among men he would speak the words of making and unmaking. He would have dragons for his dogs. "Then to me you are Silence," the wizard said. "You can sleep in the nook under the west window. There's an old pallet in the woodhouse. Air it. Don't bring mice in with it." And he stalked off towards the Overfell, angry with the boy for coming and with himself for giving in; but it was not anger that made his heart pound. Striding along- he could stride, then- with the seawind pushing at him always from the left and the early sunlight on the sea out past the vast shadow of the mountain, he thought of the Mages of Roke, the masters of the art magic, the professors of mystery and power. "He was too much for 'em, was he? And he'll be too much for me," he thought, and smiled. He was a peaceful man, but he did not mind a bit of danger. "But I know I have - I have something to do, to be. That's why I wanted to come here. To find out. On the Isle of the Wise. ". "Why can't I give myself my own true name?"
