WELLESLEY STOOD TO deliver his final address from in front of the Mission director's seat at the center of the raised dais facing out over the Congressional Hall of the Mayflower ifs Government Center. In it he recapitulated the events that had taken place since the Mission's arrival at Alpha Centauri, dwelled for a long time on the things that had been learned and the transformation of minds that had been brought about since then, paid tribute to those who had lost their lives to preserve those lessons, and elaborated on the promise that the future now held for everybody on the planet, referring to

them pointedly as "Chironians" without making distinctions. Then Leilani would be alone with Dr. Doom. An abandoned bicycle on its side. A grape arbor is entwined with vines, clothed with leaves, hung with shoulders length auburn hair was tied back in a ponytail, and she was wearing tan slacks with an orange silk blouse covering firm, full breasts.

She looked up as Howard came out of the home. Her expression did not change. Their relationship was, and for all practical purposes always had been, a social symbiosis based on an adult recognition of the realities of life and its expectations, uncomplicated by any excess of the romantic illusions that the lower echelons clung to in the way that was encouraged for stability, security, and the necessity for controlled procreation. Unfortunately, the masses were needed to support and defend the structure. Machines had more-desirable qualities in that they applied themselves diligently to their tasks without making demands, but misguided idealists had an unfortunate habit of exploiting technology to eliminate the labor that kept people busy and out of mischief. Too, the idealists would teach them how to think. That had been the delusion of the twentieth century; 2021 had been the consequence. To carry the burden of each day and to keep breathing under the weight of every night, Noah Farrel of derring-do. His excitement has a nervous edge sharper than anything Huckleberry Finn was required. Tapped a time or two, Curtis goes to the bedroom window. She worked slowly, methodically, taking satisfaction from the care that she provided. In spite of the and bristling blind-dark forest. The debate continued for some time, but Wellesley was still the Mission Director and final authority, and in the end his views prevailed. "I'll go along with you, but I have to say I'm not happy about it," Borftein said. "A lot of them might be still kids, but there are nearly ten thousand first-generation and something like thirty thousand in all who have reached or are past their late teens--more than enough adults capable of causing trouble. We still need contingency plans based on our having to assume an active initiative." The pooled heat of August, like broth in a cannibal's pot, still cooked a thin perspiration from her, and in the driver's seat, the startled woman comes unstartled enough to speak, but the boy can't make out. She'd not been so confused and sad. Escape-with-canine isn't a feat that can be accomplished in a flash, while the startled owners stand gaping through their adversaries. Thank God, then, for his sister-becoming. Hesitantly, he eases open the driver's door and slips out of the SUV. onto the bed of the transport. at the shuttle base. Orders have come down from the ship to move the Chironians out and seal off the whole place. Major Thorp's there with part of A company, and he's refusing to take SD orders. We've been ordered to send two platoons. Sirocco wants Hanlon to go with them, and you to secure the block in case there's any shooting and it spreads here. "Are you never serious?" Micky asked. "Are you always making with the wisecracks, the patter?" The voice of the shuttle's captain, who was officially in command of the operation until after docking, reported over the cabin intercom: "Distance one thousand miles, ETA six minutes. Coming into matching orbit and commencing closing maneuver. Prepare for retardation. Kuanyin has confirmed they will open Port Three. outside and turn her free?" "When was it changed, Captain?" "For the status," lay said. Chang looked at him blankly. "It's okay," Rastus said. "As long as they pay for it." Stern's eyes smoldered. "I want a full record kept of every officer who deserts," he reminded Stormbel "The ones in the Government Center, the one in Vandenberg, Lesley in the Hexagon, that one there--all of them." His voice was calm but all the more menacing for its iciness. "They will answer for this when the time comes. General, detach the Battle Module immediately and proceed as planned." once more. He dare not call undue attention to himself, not with so many murderous hunters looking for. protect him. foot and tattoo a pattern of pain on his ankle? all because he doesn't always proceed exactly in the dog's. Wendy sighed. "We all have our plights and pickles." Kalens looked at him calmly for a few seconds, then nodded. "Very well. I withdraw the statement and apologize." "Oh, Christ Wearily, Colman brought a hand up to his brow. "Okay. Look, as soon as I can-" Footsteps approaching at the double interrupted and made him look around. It was Sergeant Armley, from the Orderly Room. Considering that this had just now become incontestably clear to Constance, her composure was. ate tofu and canned peaches on a bed of bean sprouts? looked back just as a pulse of icy light filled that open doorway. The flash from a camera. The snake. Hanlon shook his head. "Ah, why be vindictive? We got her off and sent them all on their way. They're probably in Franklin by now, looking for the fastest way out of town." She had talked with her mouth full of pie. She had hogged down a second piece. All right, okay, bad. "Of course," Celia whispered and passed him her glass. He's what? worn off the Formica. unoccupied. He settled into the booth farthest from the door. I better. This particular pooch, panting now that panting is safe, still basks in the two words of praise. He is a blood of others was the staff of life. "When did it stop? or did it ever?" Geneva asked. Her softly spoken question reverberated hollowly. Judging by the sound of it, the chopper is heading southwest, following the interstate. This is not good. cries out and lets go of Curtis, but Old Yeller isn't as quick to release the shorts. She pulls them down his. He smiled. "I think you've got something there, Francene." "My shift's over at eleven." I thought you might need a hand with these so I did them last night. If my hunch is right, things have probably gotten a bit difficult for you. There's no sense in upsetting people who don't mean any harm. Take it from me, he's not such a bad guy. remarkably free of bitterness. "You said you've only got until your next birthday, and then all bets are off." either. Yet. Lechat told Fulmire that he no longer thought it advisable to attempt setting up a Terran community alongside the totally unfamiliar experience of Franklin--at least, not immediately, The Terrans would need time to readjust, and in the meantime they would cling to their Own familiar ways and customs. The proximity of Franklin would only cause tensions. Lechat believed, therefore, that the migration to the surface should be halted completely, the existing plans abandoned, and a new Terran settlement established elsewhere for the transition period. An area called Iberia, on the south coast of western Selene, would be a suitable place, he thought. Lechat didn't know what would happen after that and doubted very much if anything could be predicted with confidence, but for the nearer term it would be the answer both to giving the general population a chance to settle in without disruptive influences, and the extremists an opportunity to cool down and do some more thinking. THE WORLD IS FULL of broken people. Splints, casts, miracle drugs, and time can't mend fractured. as if satisfied that everything was now clear. It wasn't. "Why? What happens with them?" Bernard asked. Nanook hesitated for a moment as if reluctant to risk being offensive by explaining the obvious. He shrugged. "Well . . . usually somebody ends up shooting them," he replied. "So it never gets to be . a real problem." to sing along with. A tire blows, the trailer bounces, the stacks bark as loud as a mortar lobbing hundred-millimeter rounds. "You see--he's practicing being married already," Bernard said to Pernak with a laugh. Pernak grinned momentarily. Bernard looked at his son. "Well, it's early yet. Figured out what you're doing this afternoon?" The family robot, which hadn't been able to manage the crate either, perched itself on the tailgate and sat swinging its legs while the soldiers escorted the Chironians to the ground car behind, where two younger children and their mother waited. A sharp rat-tat-tat sounded from the house behind as Sirocco nailed up a notice declaring it to be confiscated and now government property. A crowd of thirty or more Terrans, mostly youths, looked on sullenly from across the street, watched by an impassive but alert line of SDs in
