Kids who discover "It's a free country!" at seven graduate to "Everyone's entitled to his own opinion" by fourteen. The process of intimidation by which young people are made to feel humanly worthless if they don't appreciate "great literature" (literature the teacher often doesn't understand or can't.Something had caused Mary Lang's eyes to look up. It was a reflex by now, a survival reflex conditioned by a lifetime of fighting her way to the top. It took root in her again and pulled her erect on the bed, then to her feet. She fought off the effects of the drug and stood there, eyes bleary but aware..Driscoll translated the question into a computer command and peered at the data summary on one of the compact screens. "Insignificant seismic above threshold at eight hundred yards. Downwind ratio less than five points up at four hundred. Negative corroboration from acoustics-background swamping." The computers were unable to identify vibration patterns correlating with human activity in the data coming in from the sensing devices quietly scattered around the gorge by low-flying, remote piloted "bees" on and off throughout the night; the chemical sensors located to the leeward of the suspected decoys were detecting little of the odor molecules characteristic of human bodies; the microphones had yielded nothing in the way of coherent sound patterns, but this was doubtless because of the white-noise background being generated in the vicinity of the stream. Although the evidence was only partial and negative at that, it supported Swyley's assertion that the main road down to the objective was, incredibly, virtually undefended for the time being..Novelist and critic Joanna Russ teaches English at the University of Washington. When our starting book reviewer, Algis Budrys, tires, our favorite relief reviewer is Ms. Russ. Here she offers a fascinating article (in response to some critical letters) which tells why critics are such snobs and are so vitriolic, among many other things..ahead..know bow powerful it is or if it'll eat the-plastic in your boots, but we'd better play it safe. If he and Harry were friendly, he might know something. Why do you keep calling. "What did you find this time, Harry? A nest of international spies or an invasion from Mars?" I guess Harry Spinner wasn't much use to anyone, not even himself, but I liked him. He'd helped me in a couple of cases, nosing around in places only the Harry Spinners of the world can nose around hi unnoticed. I was beginning to get the idea he was trying to play Doctor Watson to my Sherlock Holmes.. / Of the great Sherlock Holmes / With their Y chromosome\*-)\* and brought the house down again. But you may, by now, be asking yourself, "What's a clone?" It's been in the news a great deal lately, but recognizing a word and knowing what it represents can be two different things. So let's go into the matter-The word "clone" is Greek, exactly as it stands, provided you spell it in Greek letters, and it means "twig." .And what about this, Mallory? What if someone died nearby tonight while you were with Detweiler; what if he comes straight to his apartment and goes to bed; what if he wakes up hi the morning feeling fine; what if nothing is going on, you son of a bitch?. Clone, clone of my own,
