Veronica, a practicing architect, was there with Casey, Adam, and Barbara. Celia had declined to return to the ship but was watching from the home that she shared with Lechat - on the coast; and Wellesley had taken a trip from his farm in Occidena to see his old ship recommissioned and renamed.. "Not me. I'm a pacifist." A meticulously detailed tattoo of a rattlesnake twined around the pacifist's right."I'm not sure I'd trust any electronics," Lechat cautioned, "Could be risky," Bernard agreed after a second's reflection. "If Sterm and whoever else is involved have been preparing for this, I wouldn't put it past them to have taps and call-monitor programs anywhere. Someone will have to go there.. "And now I have one final task to perform," he said. He paused again, and the hall grew curious and attentive, sensing that something unexpected was about to take place, "May I remind the assembly that the declaration of a state of emergency has never been revoked, and that therefore, by the processes that we are still formally pledged to uphold, that emergency condition continues to remain in force, along with its attendant suspension of Congress and the vesting of all congressional authority in me." Puzzled expressions greeted his words, and a ripple of surprised murmurings ran around the hall. "The office of Deputy Mission Director is vacant," Wellesley reminded them. "Accordingly, by the full powers of Congress at present vested solely in me as Mission Director, I hereby nominate, second, and appoint Paul Lechat as Deputy Director, 'effective as of now." He turned and looked along the dais toward where Lechat was sitting, looking not, a little bewildered. "Congratulations, Paul. And now would you kindly take your rightful place." He gestured at the empty chair next to him. Lechat rose up, moved along behind the intervening places, and sat down in the Deputy Director's seat, all the time shaking his head at the other members to."Did this Farrel asshole really show up, Jonny?".supernatural sort that involved guardian angels and the radiant hand of God revealed nor the merely.Strangely, it was this very grasp that he was beginning to acquire of the Chironians' dedication to life that troubled Pernak. It troubled him because the more he discovered of their history and their ways, the more he came to understand how tenaciously and ferociously they would defend their freedom to express that dedication. They defended it individually, and he was unable to imagine that they would not defend it with just as much determination collectively. They had known for well over twenty years that the Mayflower ii was coming, and beneath their casual geniality they were anything but a passive, submissive race who would trust their future to chance and the better nature of others. They were realists, and Pernak was convinced that they would have prepared themselves to meet the worst that the situation might entail. Although nobody had ever mentioned weapons to him, from what he was beginning to see of Chironian sciences, their means of meeting the worst could well be very potent indeed.. They can't."It's not subject to finite arithmetic," Pernak agreed. "But why does it have to be? Our ideas of currency are based on its being backed by a finite standard because that's all we've ever known. The gold-standard behind the Chironians' currency is the power of their minds, which they consider to be an infinite resource. Therefore they do their accounting with a calculus of infinities. You take something from infinity, and you've still got infinity left." He shrugged. "It's consistent. I know it sounds crazy to us, but it fits with the way they think".else as well, something
